Corporate Auditor Report

October 20, 2006

Nashville, TN

I have worked with the IGRA Treasurer to set up procedures to verify IGRA income due and expenses that fit within the budget or subsequent board actions.

Again, this year, I must report that we are lucky to have David Hill as our Treasurer.

The IGRA financial records have been audited through August 31, 2006 and they are in order without exceptions.

Respectfully submitted,

John A. King
Corporate Financial Auditor
