7. Mulie bulls, riding steers, and calves should be requested from the stock contractor. Cows and heifers may be used for the steer riding event; however, only one type may be used throughout that event. Steers for chute dogging,

team roping, and camp events MUST have horns. It is the responsibility of the Arena Director and/or Chute Coordinator to insure that all horned animals have their horns tipped or cut back. The objective is to have the horns smooth or rounded with no sharp or jagged edges. Guidelines for the Arena Director and/or Chute Coordinator: bull horns should be blunted to approximately the diameter of a quarter; steer horns should be blunted to approximately the diameter of a dime; and for camp events and chute dogging, the horns should be a minimum of seven inches (7") long measured from the hair line out to the end of the horn on each side of the steer's head. If an animal does not meet the above specifications, said animal shall be removed from competitive status if the Arena Director believes there are enough other animals for the competition. No animal with steel reinforcing bar or plaster on the horns shall be allowed in the competition.

8. (new) Mulie (non-horned) bulls, riding steers, and calves should be requested from the stock contractor.

9. (new) Cows and heifers may be used for the steer riding event; however, only one type may be used throughout that event.

3. SPEED EVENTS.

A. General Rules for Speed Events.

2. All rodeos shall be required to use an electronic timing light for all speed events. Three (3) hand stopwatches will be used as a back-up. The Scorekeeper will record only the electronic timing light **time**. If the electronic timing light malfunctions for a contestant, the Scorekeeper will record the stopwatch times **and ensure that the contestant is advised immediately of the situation.** and the **The** contestant will have the option of accepting the hand stopwatch time or rerunning the event. The contestant will be advised of the hand time before making a decision and must make that decision immediately. In the event the electronic time is not available and the contestant chooses to accept the stopwatch time,

If three (3) stopwatch times are available, the high and low hand stopwatch times are not used, and the hand stopwatch time in the middle is the official time. **will be used.** If only two (2) hand stopwatch times are available, the average time will be the official time used. If only one (1) hand stopwatch time is available, the contestant will have the option of accepting that time or to re-run the event **that time will be used.** If the electronic timing light permanently fails as determined by the Arena Director, stopwatch times will

be used for all **remaining** contestants in the event for that go-round. (Refer to Rule III. Timers, paragraph 3)
