24th IGRA Annual Convention
Internet Technology Committee Report
November 1, 2008

The Internet Technology Committee met on Friday, October 31st from 3–4 pm. A total of 12 people from 12 associations attended the meeting.

The members present discussed the following items:
- ?? Rodeo Rule changes – create a summary page and link to each one
- ?? Standing Committees – add more information on what they do
- ?? Create "New Contestant" package online
- ?? Outsourcing your Web site
- ?? Standard periodic E–mails using Yahoo! groups
- ?? Merchant Accounts
- ?? Directed Interest Mailings

The group also requested that Frank review the "wish list" from last year's meeting to see what has been accomplished and what items are outstanding.

Respectfully submitted,

Larry J. Lindstrom
